## Commander's Corner

The Western Regional Legion Baseball Tournament was a great success. The American Legion and Diamond Baseball hosted this tournament that was held at Scott

Carpenter Park in Boulder from August 4-9. Post 10 was the Host Post for the Tournament in 2015. Many volunteers from the American Legion and Diamond Baseball helped make this event a success.

Wayne Fuqua was the lead from Post 10 and did an incredible job as did many other volunteers from Post 10 American Legion, Ladies Auxiliary and Sons of the Legion. Cathy Bukowski and Eric Harman from Diamond Baseball also put in numerous hours and did a fantastic job of organizing this event. There were many volunteers from several American Legion Posts in the area and American Legion District 4. If you run into Wayne, Eric, Cathy or anyone else that volunteered for this event, give them a big thank you for a job well done.

Mark your Calendars for September 7th when Post 10 will host our Annual Luau in the Pavilion starting at 2:00 p.m. Brats and burgers will be provided and sides are always welcome. Come out and join your Legion family for great food, fun and music by the Responders.

The Sons will also be hosting their 23rd Annual SAL Golf Tournament on Sunday, September 6, 2015 at the Twin Peaks Golf Course in Longmont. There is a \$75 entry fee and this fee includes greens fees, T-shirt and meal. Proceeds go to a variety of worthy charities. See one of the Sons for more information or to sign up. This golf tournament is always a great time!

Football season is about to start. Come out to the Post and cheer on our Broncos or your favorite team. The games will feature happy hour prices, raffles, munchies and great company.

Along with football season comes breakfast on Sundays from 10:00 a.m. to noon. This is the best deal in town! Come out and support your Post and support those who volunteer to cook, wash dishes, wait tables and everything else that needs to be done to provide this service. If you would like to volunteer, let one of the members of the Legion, Auxiliary or Sons know. We are always looking for volunteers to help out with the breakfast.

There are still a couple of vacancies on the Post 10 American Legion Executive Board. Come and show your support by volunteering to serve in one of these positions. American Legion meetings are held on the first Tuesday of each month at 7:00 p.m. at Post 10. All Legion members are invited and encouraged to attend our meetings. The Auxiliary meets at the same time as the Legion and the Sons of the Legion meet the first Wednesday at 6:00 p.m. Members are encouraged to attend. Make your voice heard!

I would like to remind everyone that our newsletter is sent out both electronically and by U.S. Mail on a bimonthly basis. An electronic email blast is also sent out on about a weekly basis. The email blast is only available to those who have provided an email address and will soon be available in hard copy at the Post 10 lounge. We would like to encourage all members to sign up to have your newsletter delivered via email. This saves the Post a considerable amount of money in preparation and mailing costs.

It is an honor to serve as your Commander and I need your support. If you have any suggestions, comments, complaints or whatever, please feel free to call or send an email to voice your concerns. I can be reached at [jogill80303@hotmail.com](mailto:jogill80303@hotmail.com) (preferred) or 303-931-1646. Thank you for your support and thank you for your service. God Bless.

—John N. Gillis

## SAL Squadron 10

As summer comes to a close and fall approaches, exciting things are happening at Post 10 and throughout our community. The Sons of the American Legion are looking forward to all of our fundraisers, expanding our membership, and contributing our time and energy into Post 10.

First, when you all get the opportunity, please take a moment to thank everyone who has worked tirelessly on the Post this summer. Many people have contributed in many ways to have a highly successful highway clean-up, remove large trees, install new RV hook ups, and resurface the deck wrapping around the pavilion. It is this kind of dedication and hard work that makes Boulder Post 10 a great place full of wonderful people. After all, it is the people that make this Post what it is. With these continued efforts our Club has a promising future and is poised to continue to be an essential part of our community.

As many of you know, we will be holding the 23rd Annual SAL Golf Tournament, Sunday, September 6, 2015. It will be a great day to come out and support the SAL, Post 10, and all of the charities that will benefit from a successful event. Please come and sign up to play, volunteer, donate raffle prizes, or sponsor a hole. I would like to thank everyone in advance for all of their concentrated efforts to make this year's tournament a success.

As fall approaches and we begin our regular meetings, dinners, and breakfasts, we encourage everyone and their families to stop by and support the Legion events and happenings. As a group, we can accomplish great things and I remain wholly optimistic that we will make great strides this year at Post 10. As a reminder, our membership year starts in July, when you have a moment, talk to Marty Covey. He has the 2016 membership cards. In closing, I would like to thank and extend my heart felt gratitude to all those who have served. We are all truly grateful for your service.

—Blake Sullivan, Commander

## Unit 10 Auxiliary

Was that whooshing noise summer whipping by? It's hard to believe that we're beginning all our fall activities again.

There was a wonderful turnout for our 4th of July picnic and the weather was fairly cooperative, too. The Box Social was its

usual hoot with many tummies feeling happy. Thank you to all! Your support and participation really make us the successful Club we are.

There will be a dedication service for Susan Palmer on Sunday, October 4th during the Bronco/Viking game.

Looking ahead, we will begin our monthly meetings again on the first Tuesday of the month. We have a wonderful group of officers this year and we would love to hear from you. If you haven't been to a meeting in a while, I personally invite you to commit to attending one meeting this year (the Christmas party is a good one)!

There are also many other ways you can show your support and commitment to the Auxiliary. We are always needing help for our Sunday breakfasts. Financial donations will go directly to our programs. Signing up potential members to the Club is a high priority this year, too.

If you have any ideas, questions, suggestions, or comments, please feel free to contact me. I look forward to meeting new faces this year.

—Lynne Duguay
